SHOW YOUR INNOVATIONS

ORGANIZERS AND PATRONS:

On the Conference, exhibition and workshops within Panel Session Discussion-2022

Innowacje w praktyce

(Innovation in Practice)

Especially invite:

- specialists of industrial enterprises,
- Scientific researchers from University and Institutes,
- PhD Students, students or Science Club students.

PSD-2022 the main goal is to promote the importance of academic achievement, as well as the exchange of experience and the integration of students, PhD students and young researchers. As a result of participation in the event it is possible to establish contacts with entrepreneurs, to create inter-disciplinary research teams and to define areas of their possible cooperation.

IX Panel Session Discussion "Innovations in Practice" will allow participants to present research and review works in the form of presentations or posters, and to include abstracts of work in conference materials. It will also be possible to publish chapters.

Participation in **PSD 2022** gives you the opportunity to:

Conference- Plenary session or poster session during the 9th International Scientific Conference, where it is possible to acquire new knowledge and skills in the field of innovation in broad terms covering engineering, medical, agricultural and humanistic knowledge, discussion about current scientific problems.

Panel meetings Science-Business - consultations employees with technical professors and research institutes of the Polish Academy of Sciences (Lublin, transfer of innovative technologies implemented by enterprises).

Workshops– gaining practical knowledge

Accompanying event

International Exhibition of Innovation and Technology **INNO-WINGS 2022**

the beginning of a new series of the exhibition, during which scientists and specialists from around the world will be able to present the latest discoveries, inventions and technologies in 5 categories

PSD-2022 is a great opportunity for you to present your own research offer on the interdisciplinary forum in the Polish scientific community, as well as to discuss problems with experts from different industries and businesses.

From this year on, two events will be held simultaneously: the **INNOVATIONS IN PRACTICE** conference and the **INNO-WINGS International Exhibition**. It is possible to participate in one of the two events or in both at the same time. You cannot miss it!
