

DNIPROPETROVSK STATE UNIVERSITY OF INTERNAL AFFAIRS

INFORMATION LETTER

Dnepropetrovsk State University of Internal Affairs is holding an VII International Scientific and Practical Conference on the topic: "**International and National Security: Theoretical and Applied Aspects**", which will be held on **March 17, 2023** in Dnipro (Ukraine).

The purpose of the conference is to create a professional platform for an open dialogue, exchange of views, relevant information and practical experience in ensuring national security in the face of modern globalization challenges and military aggression in Ukraine.

The event is designed to bring together all interested parties to share promising developments, models and technologies, ideas and best practices to improve the level of national and international security.

Representatives of international organizations, public authorities, judicial and law enforcement agencies, foreign and domestic scientific institutions, practical employees of law enforcement agencies, public associations, and the educational community are invited to participate in the conference.

Conference working languages – Ukrainian, English.

Thematic directions of the Conference:

- ✓ *Actual problems of international and national security in the context of philosophy, philology, sociology, political science, and economic theory.*
- ✓ *Prevention and neutralization of threats to national interests in the field of law enforcement, border operations, and defense.*
- ✓ *Financial, economic, and information security in the context of digitalization. State administration in the field of national security.*
- ✓ *Preventive activities and security issues of the police initiative in the national and international dimensions. Administrative and legal support of public security and order.*
- ✓ *Actual problems of international and national security in the context of the doctrine of criminal law, criminology, forensics and criminal procedure law.*

✓ *Private legal relations in the context of human rights protection: global trends and development prospects.*

To participate in the scientific and practical conference, it is necessary to submit to the organizing committee by **February 22, 2023** to the email address **ird.dduvs@gmail.com**:

- completed application form (attached);
- an article in electronic format with a volume of at least 5 pages;
- for persons who do not have a scientific degree - a positive review of the candidate (doctor) of sciences on the topic of the scientific article (scanned with a signature).

Participation in the conference is **free**.

The materials of the conference will be posted on the website of the Dnepropetrovsk State University of Internal Affairs and published in the collection of the International Scientific and Practical Conference "International and National Security: Theoretical and Applied Aspects".

The conference program will be sent to the participants additionally..

The conference is planned to be held in a hybrid format using the ZOOM platform. The necessary links for registration and participation in the conference will be additionally sent to the e-mail addresses of the participants.

But we will be glad to welcome you here in Dnipro and will do our best to make the meeting safe, warm, and interesting.
