Other

Require that all meetings are secured with one security option

Require that all meetings are secured with one of the following security options: a passcode, Waiting Room, or "Only authenticated users can join meetings". If no security option is enabled, Zoom will secure all meetings with Waiting Room. Learn more

Due to new security guidelines, you cannot change this setting. Please contact your account admin for more information.

Waiting Room

When participants join a meeting, place them in a waiting room and require the host to admit them individually. Enabling the waiting room automatically disables the setting for allowing participants to join before host.

Meeting Passcode

All instant, and scheduled meetings that users can join via client, or room systems will be passcode-protected. The Personal Meeting ID (PMI) meetings are not included.

Require a passcode for meetings which have already been scheduled

Passcode for already scheduled meetings 3cpXLu

Personal Meeting ID (PMI) Passcode

All Personal Meeting ID (PMI) meetings that users can join via client, or room systems will be passcode-protected.

Breakout Rooms

The screenshot shows the Zoom profile settings page for Breakout Rooms. The page is titled "Zoom-ის შესაძლებლობები" and "Breakout Rooms". The browser address bar shows "zoom.us/profile/setting". The Zoom logo and navigation links are visible at the top. The "In Meeting (Advanced)" section is selected in the left sidebar. The main content area lists several settings:

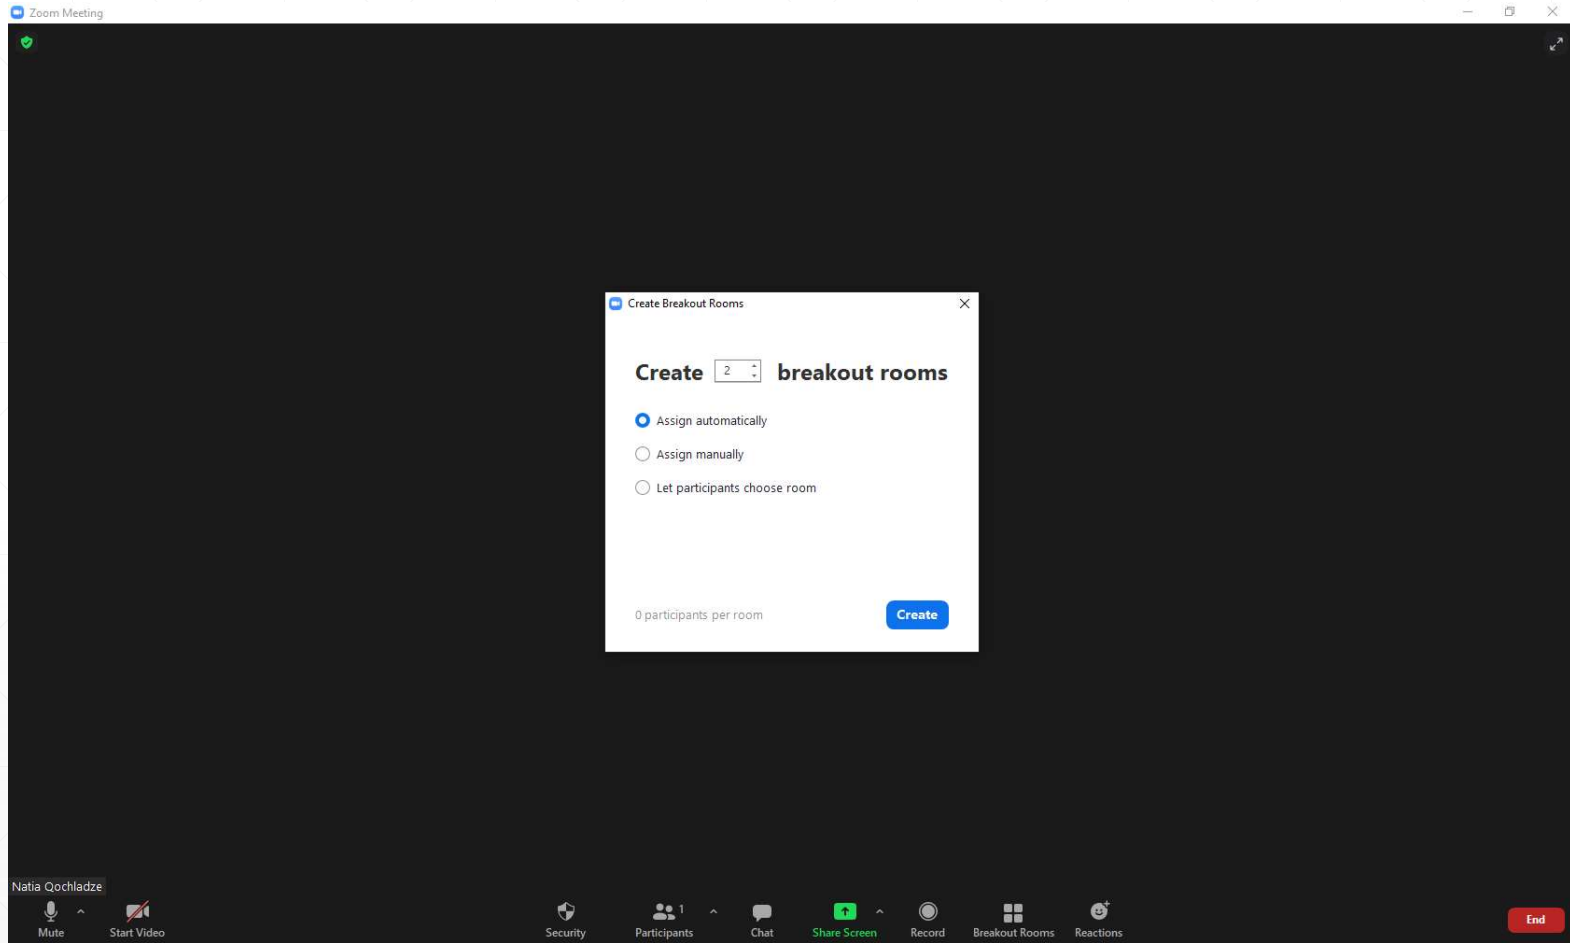

- Report to Zoom**: Allow users to report meeting participants for inappropriate behavior to Zoom's Trust and Safety team for review. This setting can be found on the meeting information panel.
- Breakout room**: Allow host to split meeting participants into separate, smaller rooms. Modified Reset
- Allow host to assign participants to breakout rooms when scheduling
- Remote support**: Allow meeting host to provide 1:1 remote support to another participant.
- Closed captioning**: Allow host to type closed captions or assign a participant/third party device to add closed captions.
- Save Captions**: Allow participants to save fully closed captions or transcripts.
- Far end camera control**: Allow another user to take control of your camera during a meeting. Both users (the one requesting control and the one giving control) must have this option turned on.
- Virtual background**: Customize your background to keep your environment private from others in a meeting. This can be used with or without a green screen.
- Allow use of videos for virtual backgrounds

Two blue arrows point to the "Breakout room" toggle switch and the "Allow host to assign participants to breakout rooms when scheduling" checkbox.

Meeting reactions

The screenshot displays the Zoom web interface for a user's settings. The browser address bar shows the URL <https://us02web.zoom.us/profile/setting>. The Zoom logo and navigation links (SOLUTIONS, PLANS & PRICING, CONTACT SALES) are visible at the top. A green banner promotes a live event. The left sidebar contains a 'PERSONAL' section with 'Settings' highlighted in blue, and an 'ADMIN' section with expandable options. The main content area is titled 'Meeting' and includes sub-sections for 'Security', 'Waiting Room', and 'Meeting Passcode'. A blue arrow points to the 'Settings' menu item, and another blue arrow points to the 'In Meeting (Advanced)' option in the sub-menu. The 'Security' section has a toggle for 'Require that all meetings are secured with one security option' which is turned on. A yellow warning message states: 'Per new security guidelines, you cannot change this setting. Please contact your account admin for more information.' The 'Waiting Room' section has a toggle turned on. The 'Meeting Passcode' section has a toggle turned on and a checkbox for 'Require a passcode for meetings which have already been scheduled' which is checked. A 'Passcode for already scheduled meetings' field contains the value '3cpXLu'.

Virtual backgrounds

The screenshot shows the Zoom Admin console interface. At the top, there is a dark navigation bar with links for 'REQUEST A DEMO', '1.888.799.9666', 'RESOURCES', and 'SUPPORT'. Below this is a white header with the Zoom logo and navigation links: 'SOLUTIONS', 'PLANS & PRICING', and 'CONTACT SALES'. The main content area is divided into a left sidebar and a main settings panel. The sidebar lists categories: 'Security', 'Schedule Meeting', 'In Meeting (Basic)', 'In Meeting (Advanced)', 'Email Notification', and 'Other'. The 'In Meeting (Advanced)' category is selected. The main panel displays settings for 'Virtual backgrounds', which are currently turned on. A blue arrow points to the 'Virtual background' section. Below the main settings, there is a checkbox for 'Allow use of videos for virtual backgrounds' which is checked. Other settings include 'Closed captioning', 'Save Captions', 'Far end camera control', 'Video filters', and 'Identify guest participants in the meeting/webinar'. A video thumbnail for 'Natia Qochladze' is visible in the top right corner. A blue chat icon is located in the bottom right corner.
