

Discover Politecnico di Milano Master of Science programmes!

პოლიმიის სამაგისტრო პროგრამები და სტიპენდიების მოპოვების საშუალება.

Politecnico di Milano offers high quality teaching and a variety of [postgraduate programmes in Architecture, Design and Engineering](#).

Politecnico di Milano is based in **Milan**, one of the most influential Italian cities and renowned capital of fashion and design. Politecnico di Milano reflects the multicultural and creative atmosphere characterizing Milan, and it hosts an ever increasing number of international students, who currently come from over 100 countries.

According to the **QS World University Rankings 2019**, Politecnico di Milano is ranked:

1st University in Italy
6th world best for Design
11th world best for Architecture
16th world best for Engineering

Furthermore, Politecnico di Milano is a member of **IDEA League**, a strategic alliance among leading European universities of Technology, Science and Engineering.

Discover Politecnico di Milano through our webinar. Click [here](#) and enjoy!

Students applying to our MSc programmes should meet the following [requirements](#):

<https://www.polimi.it/en/international-prospective-students/laurea-magistrale-programmes-equivalent-to-master-of-science/application-procedures/requirements/>

- **A Bachelor degree in a field relevant to the MSc of interest**
- **A valid English language certificate**

- **Minimum GPA Requirements** (if your Country is not listed, it means that you are allowed to submit the application with any GPA. There are no minimum GPA requirements for students who obtained their Bachelor degree in Georgia)

Only if you apply to an **Italian-taught** MSc programme you are required to provide an **Italian language certificate** (level B1) along with your English language certificate.

The application is free of charge. 3 steps need to be completed:

STEP A: Register online and receive your credentials to access the online application form;

STEP B: Fill out the online application form and upload the required documents;

STEP C: just send two documents by post, as listed [here](#)

<https://www.polimi.it/en/international-prospective-students/laurea-magistrale-programmes-equivalent-to-master-of-science/application-procedures/application/list-of-documents-required-by-the-admissions-office/>

Check [here](#) to know more. <https://www.polimi.it/en/international-prospective-students/laurea-magistrale-programmes-equivalent-to-master-of-science/application-procedures/>

There are **two intakes a year**, corresponding to the 1st and to the 2nd semester. **The 1st Semester starts in September, the 2nd semester starts in February.** However, students interested in the programmes of the Schools:

- [Architecture, Urban Planning and Construction Engineering](#)

<https://www.polimi.it/?id=8981&keywords=scauic&L=1>

- [Design](#)

<https://www.polimi.it/?id=8981&keywords=scdes&L=1>

can start their studies **only in the 1st semester** and it will be no longer possible to apply for the 2nd semester intake. Check [here](#) for more information on the application periods, by selecting your provenience. <https://www.polimi.it/en/international-prospective-students/laurea-magistrale-programmes-equivalent-to-master-of-science/application-procedures/>

Tuition fees for our MSc programmes are as follows:

- **EU students:** between approximately 900 and 3,900 Euros a year, for two years
- **Non-EU students:** amount fixed at approximately 3,900 Euros a year, for two years

Merit-based scholarships are available for talented students admitted to the 1st and 2nd semester. All admitted students will be automatically considered for a possible scholarship, with no need to fill out any application. To know more, please visit our website.

On our website you will find some useful information concerning your [life in Italy](#) and at Politecnico di Milano. Also check our **Residences website** to have a look at the available solutions for our students.
