

# Institute of Hydrogeology and Engineering Geology

## Scientific report

2015

### I. 1. Planned and performed scientific-research works funded by the state budget of Georgia by 2015

#	The name of the work prescribed and performed by the plan indicating scientific field and scientific direction	Work Supervisor	Work Performers
1	<p style="text-align: center;">Field: Geology</p> <p style="text-align: center;">Direction: Hydrogeology</p> <p style="text-align: center;">Project:</p> <p style="text-align: center;">Determine the regularity of formation and dissemination of Ajara-Trialeti mineral and thermal waters, cadastre processing and mapping.</p>	Acad. Doct: B. Mkheidze	<p style="text-align: center;">Acad. Doct. L. Ghlonti</p> <p style="text-align: center;">Acad. Doct. Z.Kakulia</p> <p style="text-align: center;">Master: A. Songhulashvili</p> <p style="text-align: center;">Master: I. Nanadze</p> <p style="text-align: center;">Master: M. Kopadze</p>
2	High quality natural drinking water	Scient.Doct. Prof. B. Zautashvili	<p style="text-align: center;">Acad. Doct. B. Mkheidze;</p> <p style="text-align: center;">Acad. Doct. Z.Kakulia</p> <p style="text-align: center;">Master: A. Songhulashvili</p> <p style="text-align: center;">Master: I. Nanadze</p> <p style="text-align: center;">Master: M. Kopadze</p>
3	<p style="text-align: center;">“The reasons of causing deformations of Tbilisi damaged buildings and obtaining the</p>		Techn.Scienc. Doct. G. Chokhonelidze

	<p>anti-counter measures ".</p> <p>Scientific Objectives - Engineering Geology.</p>	<p>Scient. Doct. Tarkhan Tevzadze</p>	<p>Acad.Doct. Sh. Petriashvili</p> <p>Acad.Doct. D. Chutkerashvili</p> <p>Acad. Doct. M. Kopadze</p> <p>Acad. Doct. Z. Kakulia</p>
4	<p>Study of modern engineering geological conditions of the Kolkheti coastal zone regarding environmental protection and its rational use</p> <p>Engineering Geology</p> <p>5-157; 5-551</p>	<p>Acad. Doct. T. Iashvili</p>	<p>Acad. Doct. GG. Iashvili</p> <p>Scient. Doct. T Dzadzamia</p> <p>Master R. Chikhradze</p>
