

## citations of the faculty and institutes

### Questionnaire of LEPL Shota Rustaveli National Science Foundation of Georgia

Name of the University

|  |
|--|
| <b>Georgian Technical University</b>   |
| 2. List of the independent scientific-research institutes of the university              |
| <b>1. Vladimer Chavchanidze Institute of Cybernetics</b>                                 |
| <b>2. Muskhelishvili Institute of Computational Mathematics</b>                          |
| <b>3. Archil Eliashvili Institute of Control Systems</b>                                 |
| <b>4. Food Industry Institute</b>  |
| <b>5. Institute of Membrane Technology Engineering</b>                                   |
| <b>6. Institute of Water Management</b>  |
| <b>7. Institute of Hydrogeology and Engineering Geology</b>                              |
| <b>8. Institute of Hydrometeorology</b>  |
| <b>9. Institute "Wave"</b>   |
| <b>10. Georgian Center for Industrial Production and Natural Resources</b>               |
| <b>11 Institute "Techinform"</b>   |
| <b>12. Center for Biotechnologies</b>  |
| <b>13. Institute of Buildings, Special Systems and Engineering</b>                       |
| <b>14. Scientific-Technological Center for Sensory Electronics and Materials Science</b> |
| <b>15. Institute of Quantum Physics and Engineering Technologies</b>                     |

List of faculties with departments and structural units included

|   |
|---|
| <b>1. Faculty of Construction</b>   |
| 1) <b>Department of Engineering Mechanics and Construction Technical Expertise - №101</b><br>1. Direction of theoretical mechanics № 4;<br>2. Direction of material strength and elongation theory № 7;<br>3. Department of structural integrity monitoring and technical expertise № 122;<br>4. The direction of construction mechanics and seismic resistance № 57; |
| 2) <b>Department of Civil and Industrial Construction №102</b><br>1. Direction of construction structures № 21;<br>2. Direction of construction ground and building foundation № 45;  |
| 3) <b>Department of civil and industrial construction technology and building materials № 103</b><br>1. Direction of construction technologies № 75;<br>2. Direction of construction materials and products № 91;   |
| 4) <b>Department of Hydroengineering № 104</b><br>1. Direction of hydro-engineering construction of river and marine facilities № 22;<br>2. Direction of hydraulic and engineering hydro-ecology № 48;  |
| 5) <b>Department of Water Supply, Wastewater, Thermal Improvements and Engineering Equipments № 105</b><br>1. Direction of water supply, wastewater, rational usage and protection of water resources № 44;<br>2. Direction of thermal conduction and ventilation № 68;   |

- 6) **Department of Computer Design of Construction № 106**  
 1. Computer design of construction № 90;
- 7) **Department of Construction Economics and Management №107**  
 1. Direction of construction economics and management № 23;
- 8) **Department of Construction Masninery № 108**  
 1. Direction of construction masninery and mechanical devices № 56;
- 9) **Department of Road Construction**  
 1. Direction of railway construction № 60;  
 2. Direction of roads № 65;  
 3. Direction of bridges and tunnels № 64
- Teaching-scientific and expertise laboratory of construction
  - Teaching-scientific and expertise laboratory of hydro engineering
  - Teaching-scientific and expertise laboratory of engineering mechanics and construction

## **2. The Faculty of Power Engineering and Telecommunication**

Departments:

1. **Department of Thermal Energy and Energy Efficiency №201**, head - prof. Omar Kighuradze;
2. **The Department of Production Innovations and Operation Management №202**, head - prof. Archil Samadashvili;
3. **The Department of Electric Power and Electro-mechanics №203**, head - prof. Shalva Nachkebia;
4. **The Department of Electro-technics and Electronics №204**, head - prof. Simon Nemsadze;
5. **Department of Energy Consumption Technologies №205**, head - prof. Badur Chunashvili;
6. **The Department of Radio Technique and Broadcasting №206**, head - prof. Nodar Ughrelidze;
7. **The Department of Telecommunication №207**, head - prof. Aleksandre Robitashvili;
8. **The Department of Hydro-Energetics and Magistral Pipeline Systems №208**, head - prof. Iuri Lomidze.

Structural Units:

- Study-scientific Center for High Temperature Thermal Physical Processes;
- Scientific-research Laboratory of the Fourth Generation Telecommunication Technologies;
- Scientific-engineering Center of Electro-technological Equipment, Complexes and Power Supply;
- Study-scientific Center of Technical Diagnosis of Energy Equipment and Energy Efficiency;
- Scintific-engineering Center of Electrical Power;
- Scientific-research Institute of Bioenergy Technologies;
- Teaching Center "Schneider Electric Telasi";
- Scientific-technical Center of Power Engineering and Telecommunication;
- Consulting Bureau for Legal Provision of Power Engineering and Environment Protection;
- GTU Certification Body "Energy Audit and Diagnostics" of the Faculty of Power Engineering and Telecommunication;
- GTU Certification Body "Electrician" of the Faculty of Power Engineering and Telecommunication awarding certificates to electrotechnical personnel;
- Training Center for Energo Audit;
- Scientific-research Center for Power Energy Economics and Management.

## **3. Faculty of Mining and Geology**

Academic Departments;

1. Department of Engineering Geodesy and Geoinformatics;
2. Department of Applied Geology;
3. Department of Engineering Safety and Emergency Management;
4. Department of Oil and Gas Technology;
5. Department of Mining Technologies.

- Study Scientific and Expert United Laboratory;
- Teaching Mine Laboratory.
- Scientific-research design center - "Samto-Geolog Proekti" (Mining-Geology Project).

#### **4. Faculty of Chemical Technology and Metallurgy**

##### **Department of Metallurgy, Material Science and Metals Processing:**

1. Direction of material science;
2. Direction of foundry production and new technological processes;
3. Direction of metallurgy of ferrous metals;
4. Direction of metal pressure processing;
5. Direction of non-ferrous metals metallurgy;
6. Direction of manufacturing industry.

##### **Department of Chemical and Biological Technology:**

1. Direction of physical and colloquial chemistry;
2. Direction of silicate technology;
3. Direction of technology of biomedical polymers;
4. Direction of technology of inorganic substances and household chemistry products;
5. Direction of electrochemical engineering;
6. Direction of environment protection and engineering ecology;
7. Direction of technology of organic substances;
8. Direction of technology, inspection and control of bio--nano-medical, ceramic and polymeric composites;
9. Direction of general organic chemistry;
10. Direction of food technology;
11. Direction of general, inorganic and analytical chemistry.

##### **Department of Pharmacy**

- Scientific center of composition materials composed of fibers;
- Teaching-scientific center for stainless steel metallurgy; ;
- Sozar Iakobashvili teaching-research center for welding;
- Study-scientific center of electrometallurgy;
- Scientific Engineering Center for Metallurgy of Color of Materials #2;
- Center of welding technologies;
- Scientific-engineering center "Utilization;
- Scientific Research Center for Biologically Active Substances;
- Bioenergy Processing Laboratory;
- GTU material study center for bio-nano-ceramics and nano-composites;
- Study-Scientific Center for Engineering Ecology and Monitoring;

#### **5. The Faculty of Transportation and Mechanical Engineering**

- 501 - Department of Industrial Technological Machinery and Mechatronics ;  
 502 - Department Mechanical Engineering and Industrial Technologies;

503 - Department of Polygraphy and Light Industry Technologies;  
504 - Department of Engineering Graphics and Technical Mechanics ;  
505 - Department of Food Industry;  
506 - department of Forestry technical Mechanics;  
507 - Logistic Department;  
508 - Department of Transport and mechanical Engineering Management;  
509 - Department of Automobile Transport;  
510 - Department of Railway Transport;  
511 - Department of Marine and Special Technology Transport;  
512 - Road Department (interfaculty).

- Teaching-scientific and Expertise Laboratory of Mechanical Engineering
- Teaching-scientific and Expertise Laboratory of Transportation
- College of Railway Transport

#### **6. Faculty of Architecture, Urbanistics and Design**

1. Department of Architecture and Urbanistics №601;
  2. Department of Interior and Design №602;
  3. Department of Architectural Basics and Theory №603;
- Laboratory of Architectural Physics and Multi-Media Projecting; ;
  - Teaching and Scientific- Research Center of Continuing Education and Architects' Professional Development;
  - Methodological and scientific research center studying urban ecological problems;

#### **7. Faculty of Law and International Relations**

1. Academic Department of Public Law
2. Academic Department of Private Law
3. Academic Department of Criminal Law
4. Department of Politics and International Relations

#### **8. Faculty of Engineering Economics, Media Technologies and Social Sciences**

1. Department of Engineering Economics
  2. department of Liberal Sciences
  3. Department of Archeology and Georgian History
  4. Department of Georgian Philology and Media Technologies
  5. Department of Public Relations
  6. Study-scientific center for Theology (with department status)
- Laboratory of Economic Processes and Modeling
  - Laboratory of Archeology and Georgian History
  - Laboratory of Media Technologies
  - Laboratory of Philosophy, Psychology and PR Technologies

#### **9. Faculty of Business Technologies**

1. Department of Business Administration
  2. Department of Public Administration and Electronic Business
  3. Department of Financial and Banking Technologies
- laboratory of Business Technologies

- Laboratory of local self-government research
- Scientific-research laboratory of financial and banking technologies
- Institute of Public Administration Problem Research

## **10. Faculty of Informatics and Control Systems**

Academic Departments:

1. Department of Interdisciplinary Informatics;
  2. Department of Computer Engineering;
  3. Department of Control Systems;
  4. Department of Artificial Intelligence;
  5. Department of Biomedical Engineering;
  6. Department of Microprocessor and Measuring Systems;
  7. Department of Automated Control Systems (Software Engineering);
  8. Department of Economic Informatics;
  9. Department of Computational Mathematics;
  10. Department of Engineering Physics;
  11. Department of Mathematics;
- Teaching-scientific and expertise laboratory for informatics and control systems;
  - Teaching-scientific and expertise laboratory for engineering physics;
  - Medical Equipment Quality Control Laboratory
  - Republican Center for Structural Research;
  - Center for Computer Network Control;
  - "Standard" - Center for Metrology, Standardization and Certification;
  - "Expert" - Scientific-Research and Diagnostic Center;
  - Teaching-Research Center for Criminalistic-Technical Expertise;
  - Center for Information technologies and Distant Learning;
  - Teaching-Scientific Center for Electronic Learning;
  - Institute of Engineering Physics Problems;
- Center for Programmable Logical Controllers;
  - Center for Virtual Modeling.

## **11. Faculty of Agricultural Sciences and Biosystems Engineering**

1. Agrarian Department;
2. Department of Food Technology

- Research Institute of Green and Sustainable Chemistry
- Didi Jikhaishi Professional College

## **12. International School of Design**

Contact information of the distinguished academic/scientific personnel/researchers according to the efficiency index (c, h index included)\*\*\*\*\*

**Vladimer Chavchanidze Institute of Cybernetics**
