

Project ECOMODE

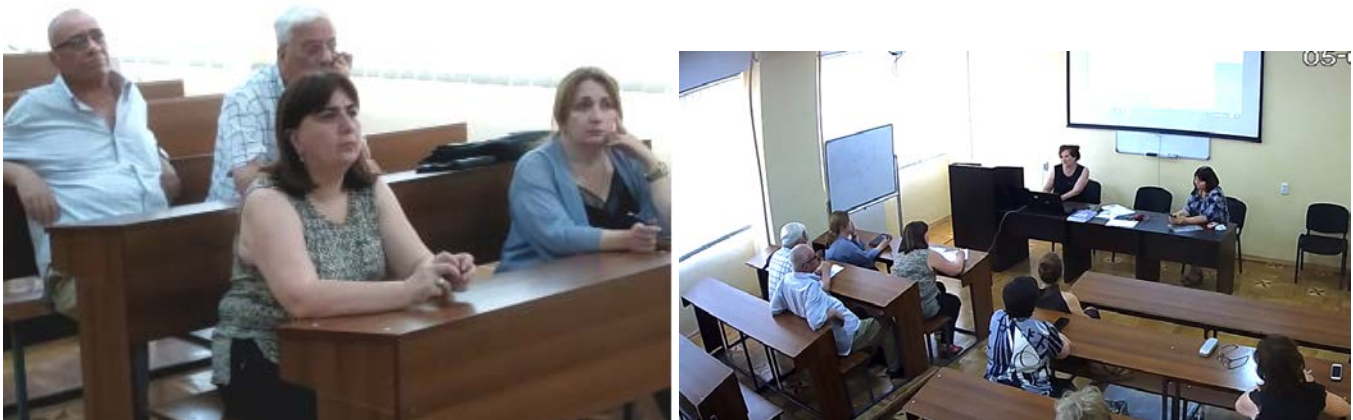

Meeting at the Faculty of Business Technology

On 5 July at GTU Faculty of Business Technology was conducted informational meeting within ERASMUS+ Project ECOMODE – Fostering Eco – Innovative Business Model Development in SMEs in Hospitality Industry.

The project was developed in the frame of program: KA2 - Cooperation for Innovation and the Exchange of Good Practices KA202, Strategic Partnerships for vocational education and training.

The coordinator of the project at GTU, Prof. Nino Pailodze (Faculty of Business Technology) and project member Assoc. Prof. Nino Chachava (Faculty of Architecture, Urban Planning and Design) met with the Professors of the Faculty of Business Technology, who are actively involved in educational and research activities in the field of tourism and hospitality industry.

Prof. Pailodze presented the project, its aims, objectives and expected outputs.

Participants expressed the great interest to the ongoing project, its development and outcomes. The intensive discussions and comments regarding the project results and their content as well as different opinions and questions were arised during the meeting. Various proposals and suggestions were offered regarding the project implementation as well.

The audience expressed readiness for the collaboration and project support. It was planned to organize other round table meetings in groups and individually in future.
