

## The Erasmus+ Teaching Mobility Visit at Istanbul Bilgi University of Natia Shengelia, Associate Professor of the Faculty of Business Technologies

As a result of the May 6, 2022 competition of the Erasmus+ Credit Mobility international project, Associate Professor **Natia Shengelia** of the Faculty of Business Technologies was invited to **Istanbul Bilgi University (Turkey)** in the spring semester of the 2021/2022 academic year (13.06.2022- 17.06.2022) to carry out academic activities.

Within the framework of the project, Natia Shengelia delivered lectures on current issues of "Financial reporting and analysis, financial management, audit and taxes" and the impact of digitalization at the Faculty of Business of Bilgi University.

Together with the professors of the business faculty of Bilgi University, it was planned to organize a joint online workshop for students of both universities in the next semester, as well as to work on the joint scientific publications and grants.

In addition, within the framework of the above mentioned **Erasmus+ project**, the best teaching practices and experience of preparing local and international online programs at Bilgi University were shared, including in partnership with one of the American universities.
