

**Project PRINTel Innovation Pedagogy Methods Training Course in Georgian Technical  
University**

**Internal Teacher Training Course**

**“Hybrid/Blended Teaching and Learning”**

On 11-15 March, 2019 at Georgian Technical University (Georgia) was conducted internal Teacher Training (TT) course on Innovative pedagogy method: “Hybrid/Blended Teaching and Learning” method within the framework of EU funded Erasmus+ program project PRINTel.

TT course was conducted by Assist. Prof. Nino Kholuashvili who took part in ToT course with the same title provided within the project PRINTel at partner FH JOANNEUM University of Applied Sciences in Graz, Austria in November 2018.

5-day-training course has been recently attended by 40 lecturers from 14 different departments of GTU 5 Faculties (Faculty of Engineering Economic, Media Technology and Social Sciences; Faculty of Law and International Relations; Faculty of Architecture, Urban Planning and Design; Faculty of Informatics and Control Systems; Faculty of Chemical Technology and Metallurgy).

The training was structured in five modules: first - the introduction of theories of blended learning that was followed by discussions about the strengths and potential risks of the approach and practical tasks.

*The TT training process.*

In other modules (E-Moderation, Project-based Learning, E-portfolio, Multimedia) attendees had a chance to work in different online platforms like Moodle, Trello, Google Sites, etc., they also were introduced to the basics of applying multimedia tools like editing videos in EdPuzzle.

*Individual work of participants*

The five day training envisaged 10 hours presented in 2 hours per day for 5 days of classroom work and 20 hours of individual work (1 ECTS Credit).

The final day of the course was devoted to the presentations of the assigned tasks and giving the feedbacks.

*Identifying and Analyzing Learner Types*

*Deliverables*

After successful completion of the course the participants were awarded with appropriate Certificates.

*The end of the TT training course*

Internal TT training courses within the project PRINTeL at GTU were conducted in partnership with GTU Innovations Center, Center of Teachers' Professional Development, established on the basis of PRINTeL capacity building context.
