

Erasmus+

Lecture Course on Human Resource Management, at Lublin University of Technology

On 6-10 June, 2022, Assoc. Prof. Tamar Kajaia from GTU Faculty of Business Technology visited Lublin University of Technology (Lublin, Poland) within the framework of Erasmus+ Mobility Project (KA107) to carry out academic activities at the project coordinator university.

Within the framework of the project, Tamar Kajaia delivered lectures on current topics of "Human Resource Management". At the request of the host organization, she made a presentation about "How to start a business in Georgia". Also participated actively in workshops during the week.

The visit took place in an atmosphere of friendly cooperation and active support from the participants of the Lublin University of Technology.

The best practices and experiences of the university were shared within the framework of this project.
