

Erasmus+

Lecture Course on Human Resource Management, at Istanbul Bilgi University

On 11-15 April, 2022, Assist. Prof. Nino Omanadze from GTU Faculty of Business Technology visited Istanbul Bilgi University (Istanbul, Turkey) within the framework of Erasmus+ Mobility Project (KA107) to carry out academic activities at the project coordinator university.

Within the project, Nino Omanadze gave the lectures on current topics of "Human Resource Management" and made a presentation about the Georgian Technical University.

For the purpose of monitoring, she met with the GTU students who are currently studying at Istanbul Bilgi University within the Erasmus+ exchange program. The students expressed great satisfaction in ongoing learning process at the host university as well as the comfortable environment. Georgian students also mentioned the kind and friendly attitude between the students and the professors as well.

Nino Omanadze's visit was held in an atmosphere of active support and cooperation between the participants of Istanbul Bilgi University. She was given the opportunity to view the university campus, museum and library. The host professors expressed a desire to continue the collaboration in the future. The best practices and experiences of the university activities were shared within the mobility activities.
