Trainer (name/ last name): *Nino Chkhartishvili*

**Title of the OTT Course: “*Video as a learning tool for remote emergency
teachers*”**

Course Meeting Dates: *April 26-28, 2021*

**ONLINE TEACHER TRAINING (OTT) COURSE EVALUATION
REPORT**

Dates: APRIL 26-27-28

Overview of the Training

The three-day training in innovative learning envisaged 9 hours presented in 3 hours per day for 3 days of classroom work and 20 hours of individual work (April 26-28, 2021). Attended by 14 lecturers from the different departments of 7 faculties (Faculty of Business Technology, Faculty of Engineering Economic, Media Technology and Social Sciences, Faculty of Informatics and Control Systems, Faculty of Agricultural science and biosystems engineering,

PROJECT # 585760-EPP-1-2017-1-AM-EPPKA2-CBHE-JP

Faculty of Construction, faculty of Architecture, Urbanism and design faculty, Faculty of Chemical technology and metalurgy) at Georgian Technical University.

At the beginning of the training, as usual the trainers, were introduced syllabi, prepared by the trainer. Syllabi consisted of the theoretical and practical skills, that are used by the professors during their lectures. In addition, the syllabi emphasizes on the learning tools for remote emergency teachers and guideline of the planning the emergency teaching.

The main topics were: what the Covid 19 has changed, introduction of emergency remote teaching guideline, best tools for virtual and distance learning (the trainers were introduced 75 online apps and platforms), open education resources, more detail about zoom and working cases in the program, Socrative, Mentimeter, how to create animated presentation and cases of practical examples of tools with trainers, video quality and its importance, practical exercises.

Participants were introduced by the students online interview about online learning, that held on the viticulture and winmaking master students.

Participants involved in creation breakout rooms in zoom and the specific tools for the joining and working group in the rooms.

The participants created their own breakout rooms, created cases in Mentimeter and google form.

I was asked to help them in improvement of the working process in Zoom, so we were discussed about the virtual tools.

They were introduced APP SOCRATIVE and worked in it.

The participants were actively involved in the training course.

Finally, all the participants presented their syllabus, modified with the newly acquired knowledge by using online technology-based activities and new active learning methods and evaluated the course, giving their feedbacks as well.

After successful completion of the OTT course, the participants were awarded appropriate online certificates, cause of the online training.

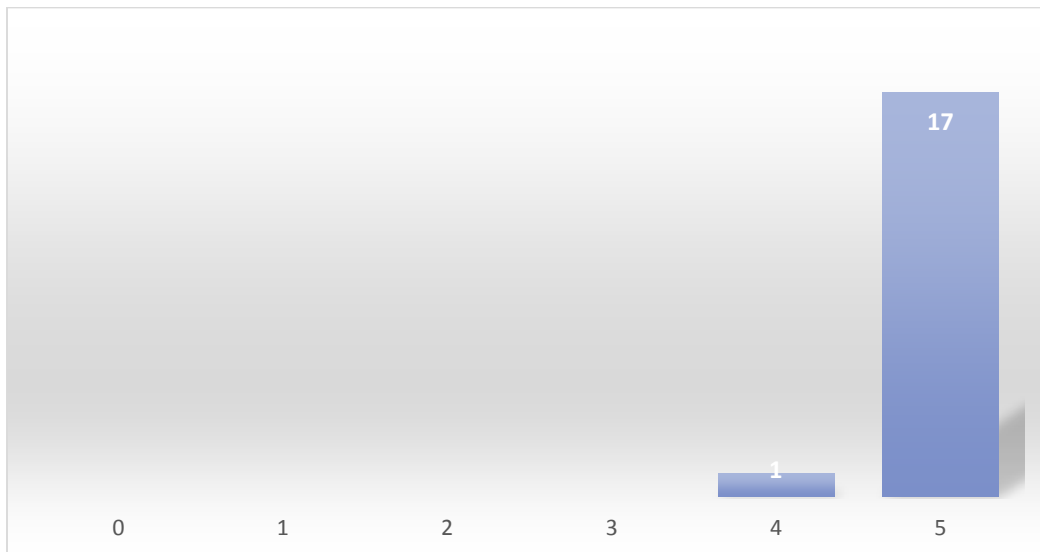

Survey Results

After the finish online training course, the participants filled and submitted the course evaluation form. We have got 18 responses. Here is the diagram where it is clearly shown (from 0 to 5 points).

First Section:

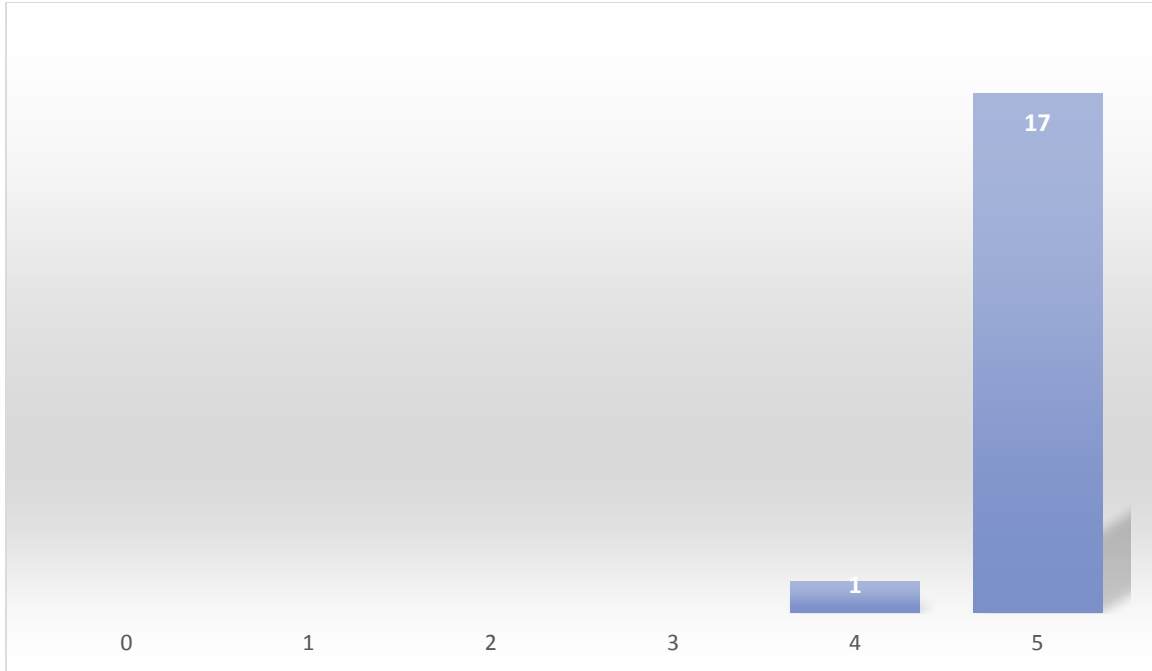

All of them were agreed that the objectives and content of the training were clearly stated in Syllabus and the course was appropriate to title, relevant to their expectation

1.1.The objectives of the training were clearly stated in the syllabus.

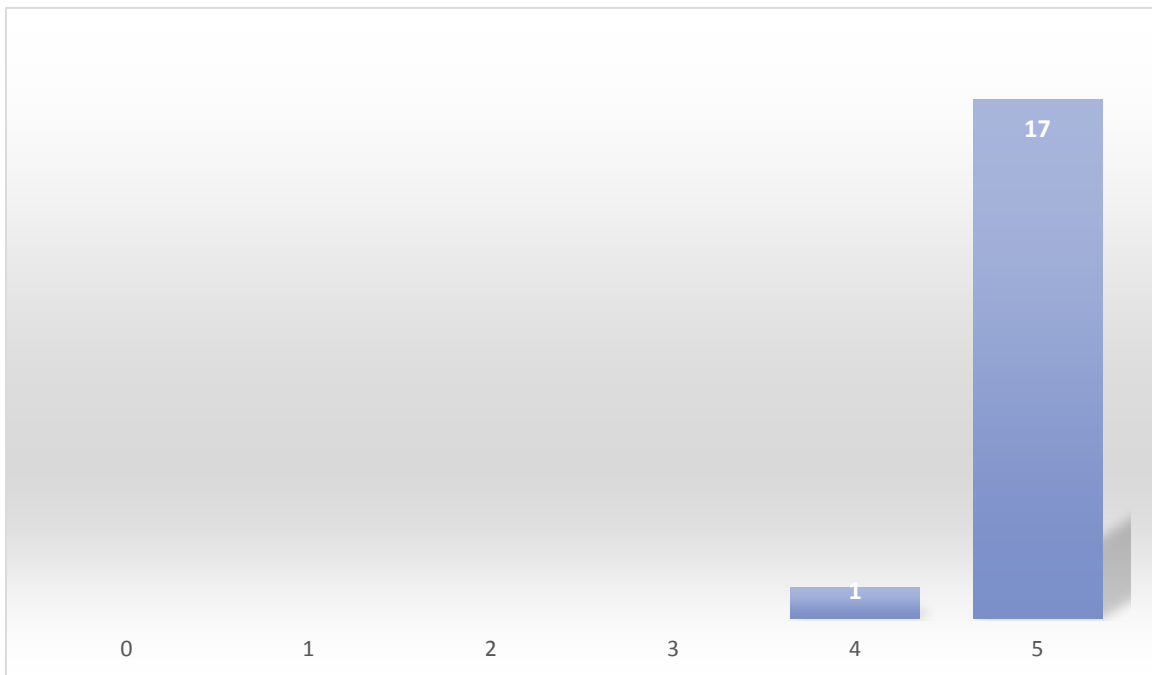

1.2. The training content was appropriate to title and objectives of the course

PROJECT # 585760-EPP-1-2017-1-AM-EPPKA2-CBHE-JP

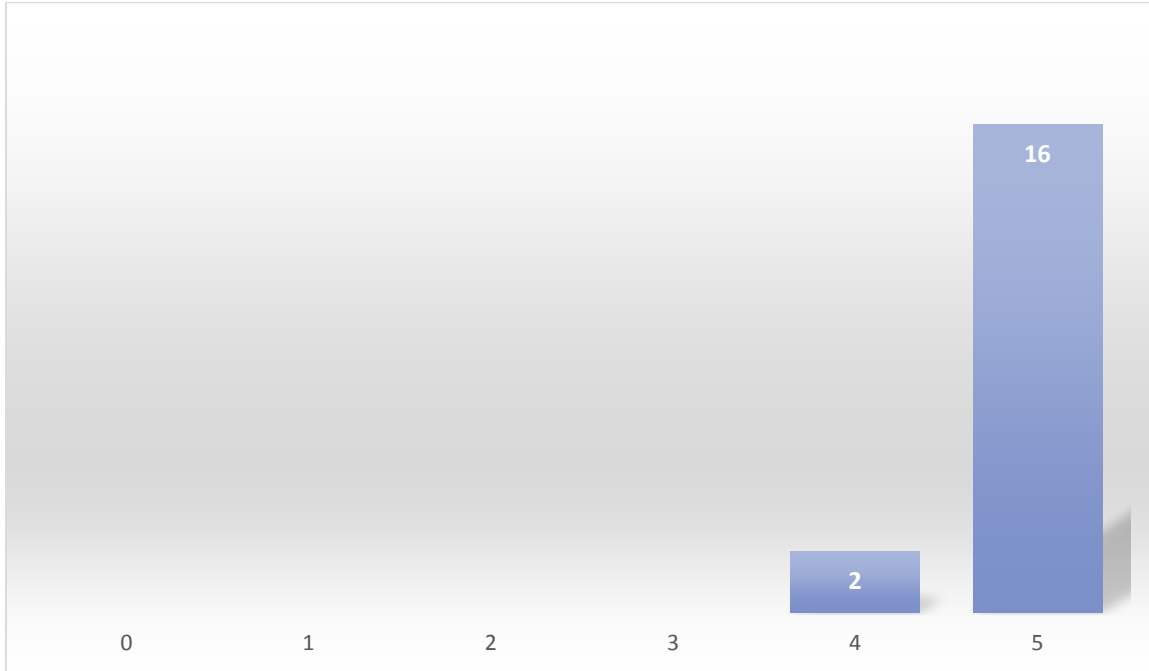

1.3. The topics covered were relevant to the innovative and technology-enhanced teaching & learning in an online medium.

Second Section:

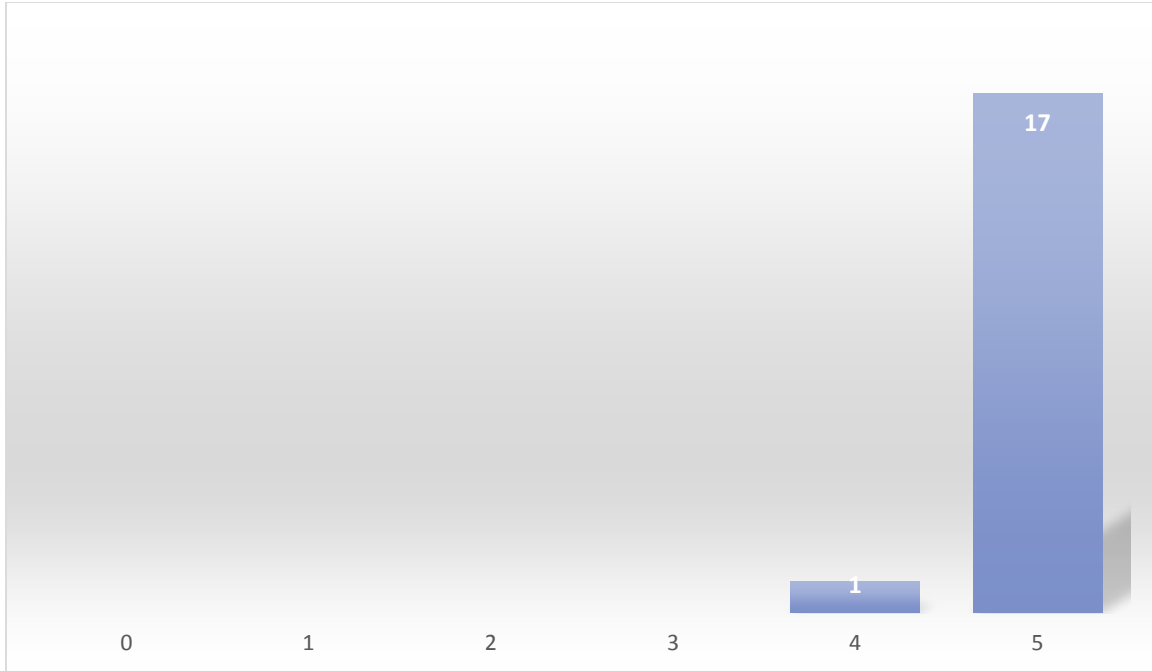

Most of them were agreed that quality of the instruction was clear. The course was very interesting and stimulated their interests.

2.1. The instructional methods & learning activities used were relevant to the online mode and achieving the training objectives.

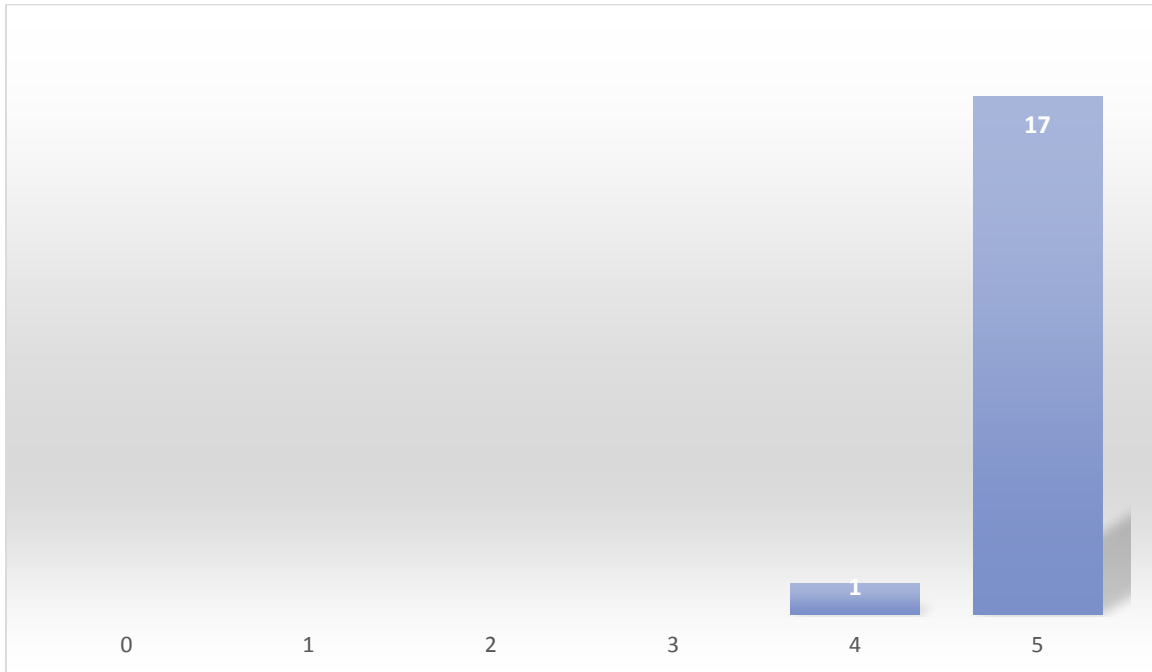

2.2. Participation and interaction during the online training were encouraged.

PROJECT # 585760-EPP-1-2017-1-AM-EPPKA2-CBHE-JP

2.3 I acquired new skills on the usage of online teaching tools and methods.

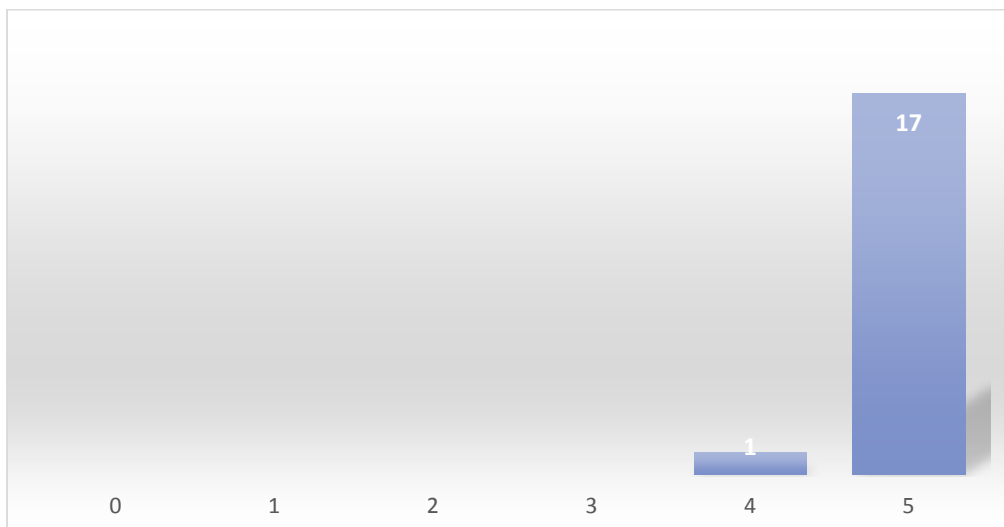

Third Section:

All of them were agreed that the training environment and technologies was well organized and well with the class.

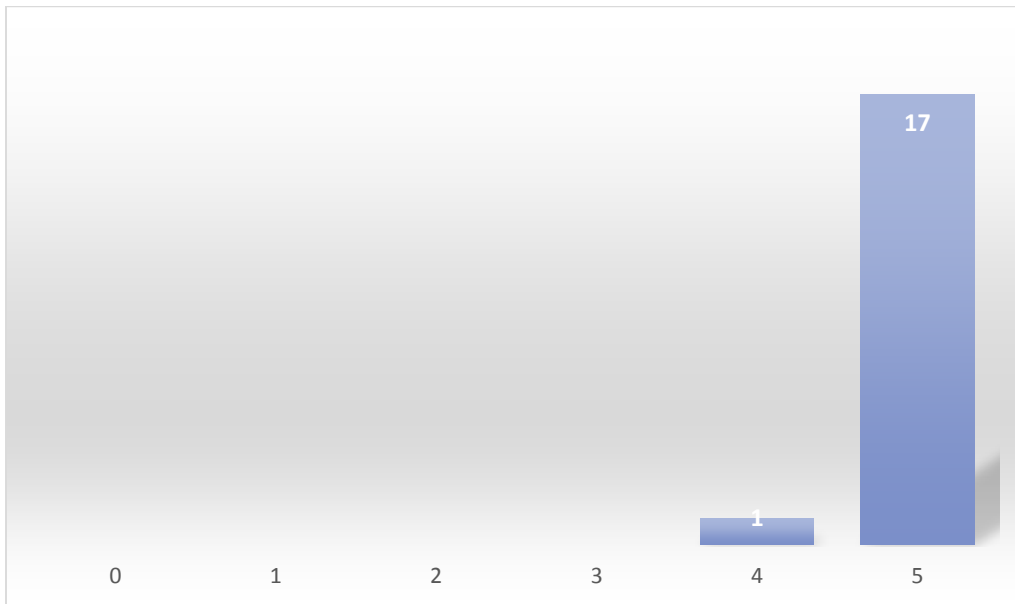

3.1. The online training video platform and technologies used were comfortable and suitable to the learning needs in an online medium.

3.2. The training was supported by adequate electronic/digital learning materials.

3.3. The online tools and technologies used during the training are accessible and applicable for my future teaching practice as well.

Fourth Section:

All of them were agreed that the trainer was well prepared for the training, communicated well with the class.

4.1. The trainer demonstrated knowledge & skills of the training topics applied in an online medium.

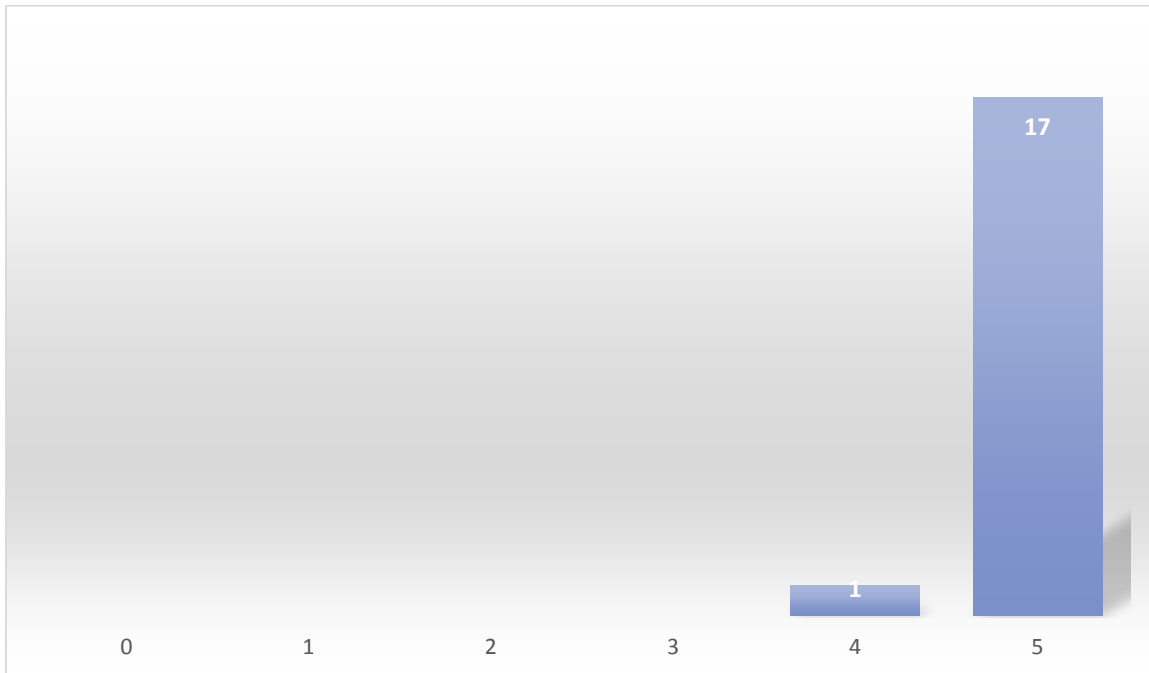

PROJECT # 585760-EPP-1-2017-1-AM-EPPKA2-CBHE-JP

4.2. The trainer was well prepared for this training and demonstrated online teaching skills.

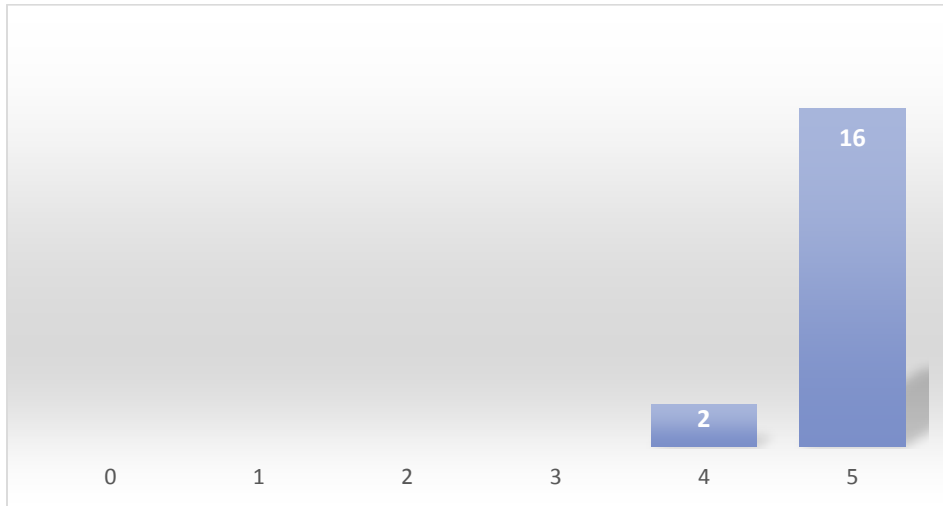

4.3. The trainer communicated well with the class considering the specificities of online teaching mode.

Fifth Section:

All of them agreed that they acquired new skills and they can implement them in their practice.

5.1. I acquired new skills on the use of innovative and technology-enhanced teaching and learning in an online medium.

5.2. I will be able to apply acquired skills in my online teaching practice.

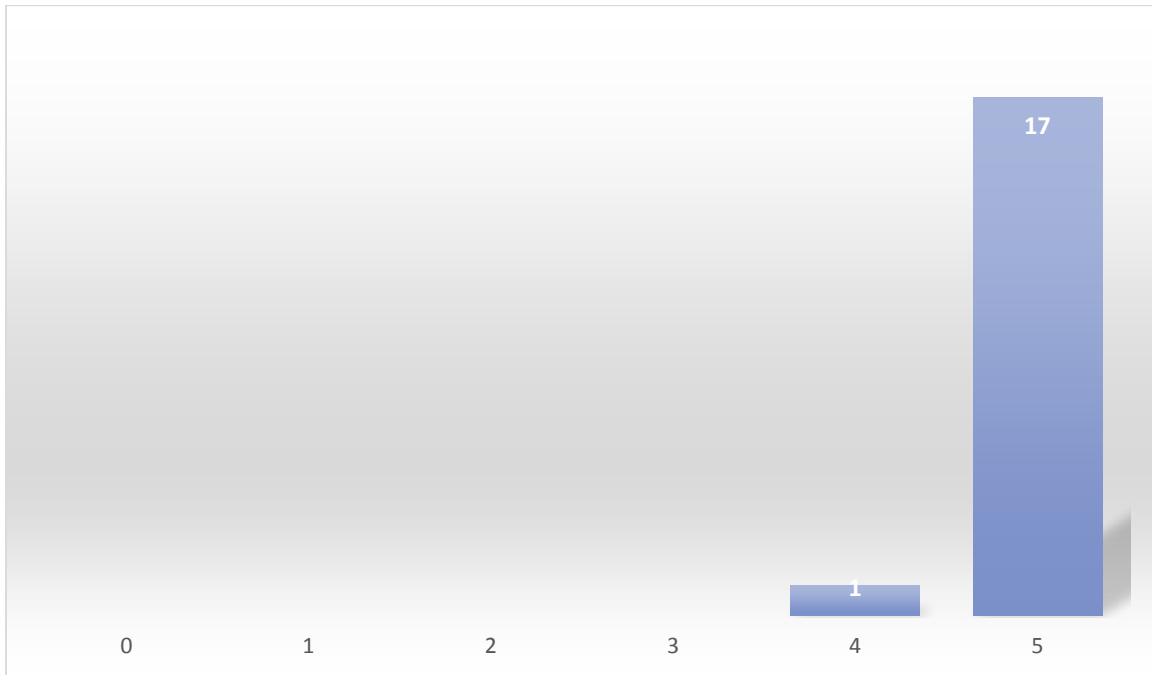

5.3. I would recommend this online training course to my fellow teachers.

PROJECT # 585760-EPP-1-2017-1-AM-EPPKA2-CBHE-JP

6.1. Overall, how would you rate your experience in this online training?

PROJECT # 585760-EPP-1-2017-1-AM-EPPKA2-CBHE-JP

Most of them had written how they plan to change their teaching practice as the result of this training. Here are some of their sentences:

6.2. How do you plan to change your online teaching practice as a result of this training? (Open-ended question)

I will definitely use the knowledge gained during the training / teaching
I am satisfied with the training and will offer news to the students
I will actively use the methods of teaching in my classroom
I will change teaching practice
I will plan differently
The training gave me the opportunity to learn a variety of tools for online learning. I intend to actively use these new opportunities in the teaching process in the future.
Shared practice and examples will be very helpful during my teaching process, especially in online teaching practice. Obtained knowledge will help me in my future development.
i am going to change my practice and use new skills by using new materials
I will use digital technologies and video more actively in the interactive learning / teaching process
I will select the best methods for me and adapt to the specifics of my subjects
I will use the knowledge gained as a result of this training in my practice
Shared practice and examples will be very helpful during my teaching process, especially in online teaching practice. Obtained knowledge will help me in my future development.
I will definitely share the acquired knowledge with the students
I will change my online teaching
I will use the information and news heard after the training in my training courses
I will use the knowledge gained as a result of this training in my practice
I will use new technologies
As I learned a new methods of teaching I'm going to use it in my classroom
I will use video tutorials and evaluation system more intensively in lecture and seminars
To improve the activation of students in the educational process, I will try to include in my training courses the use of web applications such as Socrative and Slido

PROJECT # 585760-EPP-1-2017-1-AM-EPPKA2-CBHE-JP

I don't plan any changes in my online teaching practice yet.
I will use in my teaching process knowledge received during the training

6.3. Please write any other comments you might have about this training. (Open-ended question)

Many thanks to the trainer for the comprehensive and informative training
I am satisfied it was a really interesting training
Thanks you for such a great training
The training was very interesting and useful. I appreciate the participation in such trainings in the future. Thanks to the trainer.
thanks and thanks and i hope it would be again
The training was interesting and topical. The trainer was professional, diligent, charming. Deepest thanks for sharing the knowledge
I am satisfied with the mentioned training and trainer. I would like to participate in similar trainings in the future
Many thanks to the trainer for the interesting and productive training!
The training was very interesting and useful. I appreciate the participation in such trainings in the future. Thanks to the trainer.
Thanks for the great exciting training
I will use the acquired knowledge
Many thanks to the trainers for the interesting and versatile informative training
Thanks to the trainer for the interesting and productive training!
Thanks for a great trainings
During the training, I got acquainted with the materials needed to activate the students' skills during the online teaching, for which I thank the trainer.
Extending the duration of the training by a couple of days, we would have given its participants the opportunity to get to know more about other web applications of online training.
It was a quite interesting meeting, because the trainer was prepared very well. I acquired new skills on the use of innovative and technology-enhanced teaching and learning in an online medium and I will be able to apply acquired skills in my online teaching practice. It would be good if such kind of trainings will be in future.

PROJECT # 585760-EPP-1-2017-1-AM-EPPKA2-CBHE-JP

The training course was very interesting and fruitful due to the existing topics. It is desirable to have a similar training course.
